Principal's Foreword

Introduction

This report provides information to parents of the College and wider community in accordance with Federal government requirements.

Our Lady's College is a Catholic secondary girls' College catering for Years 7 to 12 and is administered by Brisbane Catholic Education. Located approximately 7 minutes from CBD in the inner South suburbs of Annerley. Founded in 1964 by the Sisters of St Joseph, the College strives to live the motto 'Ad Altiora' (Ever Higher) as inspired by our founder St Mary (of the Cross) MacKillop. Our distinctive curriculum offerings, nurturing environment and extensive building program, ensure that Our Lady's College is well placed to meet the needs of current and future generations of young women.

The College's 50 year celebrations focussed around St Mary MacKillop's infamous quote 'So great is the strength that we possess in our unity'. Key events included the official opening of Ad Altiora Place, the Tenison Woods Wing and 3 newly refurbished classrooms. College staff embraced Dr John Hattie's work in Visible Learning ensuring quality learning and teaching in these new facilities. The year 7 to Secondary Task Force presented their report to the College community, ensuring the readiness of the College for Year 7 in 2015. Review of the College uniform by a representative committee saw endorsement for a new uniform for 2015, in line with the College's proud tradition and spirit filled future.

School Profile

Our Lady's College is a Catholic school administered through Catholic Education, Archdiocese of Brisbane.

Coeducational or Single Sex

Total student enrolments for this school 332

Total Enrolment 332 Girls 332 Boys

Characteristics of the student body

Our Lady's College is an Archdiocesan Secondary College for girls, established by the Sisters of St Joseph in 1964. It is situated in the Brisbane inner-city suburb of Annerley. The college has a current capacity to enrol 450 students. Many parents have chosen the school specifically because of its small size, seeking a school where their daughters will be known as individuals, and not be lost in the anonymity of a large college. Many parents seeking single-sex education, whose sons attend St Laurence's College or Villanova College, choose to send their daughters to Our Lady's College.

While the college is situated in the suburb of Annerley, the majority of the students come from outlying southern suburbs of Brisbane, accessing the school by train or bus. A large number (approximately 40%) are from non-English speaking backgrounds. The mix of cultures in the college community is a source of pride and lends a rich diversity to classroom interactions and share experiences. Culture reflected in our students' dance groups include Asian, Indian, African and Polynesian.

Enrolments are drawn from as many as 24 different Primary School Catholic and State and 18 different parishes.

How Information and Communication Technologies are used to assist learning

Information and communication technologies help to provide our students with the skills and abilities to master an ever changing educational and classroom landscape. The introduction of 1:1 laptop program has enhanced classroom teaching by integrating technology-based activities into their everyday skill sets. Teachers have also been able to develop a creative approach to presenting content to students through the utilisation of collaborative technologies afforded through the Laptop program. Engagement with the Learning Management System (LIFE), Google Drive and a number of related apps, and the utilisation of iPad banks further enhance student learning and pedagogical practices in the College.

Social climate inclusive of pastoral care and our response to bullying

The faith community of students, parents, teachers and friends of Our Lady's College seeks to uphold the ideals of Mary MacKillop (foundress of the Josephite Order) and values excellence as embodied in the College motto, "Ad Altiora Ever Higher". Within the wider context of the universal Catholic Church, we believe in the important of the family and respect the dignity of each person. Our vision is to create reflective, self directed young women who live out Christ's mission, contributing positively to our changing world. We value tradition, excellence and community. In the realisation of this vision, our students are encouraged to support individuals and communities through service, performance and public work. Central to these activities is a recognition of the value of prayer and our links with the Josephite tradition.

The college operates an extensive Pastoral Care program across all years and information about student protection and bullying prevention can be found via the College Website.

Parent, student and teacher satisfaction with the school

Feedback from parents at Parent Teacher and information nights indicate a good sense of satisfaction with the College. Parents in general are very satisfied with the offerings at the College and the ability and dedication of the College staff. The updated website and launching of the Parent portal have allowed the College to become a networked school community.

Activities such as "Open Days" are always popular and visitors provide very positive feedback about our school offerings. Parent perceptions about our school operations also indicate high appreciation.

An active Past Pupils' Association plans regular events throughout the school year and engages closely with the College Leadership Team.

Parent involvement in their child's education

Our Lady's College welcomes the involvement of parents in their daughter's education as we honour the parent's role as primary educators for their children. Parents are encouraged to become involved in the Parents and Friends' Association and the College Pastoral Board.

Parents are encouraged to become involved at various levels with the important decisions regarding the selection of appropriate courses of study at Our Lady's College. Primarily, contact is via the Pastoral Care Teacher and Year Coordinator, but contact through any member of staff is always welcomed.

Parents are an important part of our College community and we look forward to their attendance and participation in events such as year level barbecues, Art Evenings, displays and performances, Information and Parent-Teacher-Student evenings and other College presentations. Also, parents are encouraged to assist with Canteen supervision, Week of Excellence activities and Working Bees.

Policy and practice to manage student attendance

If no parental contact has been made students are expected to provide a note of explanation to their Pastoral Care teacher explaining her absence. Pastoral Care Teachers will insist that this note be handed to them promptly following the student's return to school as per the College policy stated in the College diary. Pastoral Care Teachers will be asked to provide details to the respective Pastoral Co-ordinator of unexplained absences each month prior to allow contact to be made with home.

All notes when collected should be kept on file by the Pastoral Care teacher, stored in a central location until the end of the year. These notes will be archived at the end of the year.

Original medical certificates should be filed in the student's personal file in the office and copies issued to classroom teachers where necessary. PC teachers should copy the certificate and pass original to office for filing. Student is responsible for copying medical certificate to accompany any late assignments as necessary.
