O God, Gracious Giver of Knowledge,  
Provide us with a vision of our College, Fair as  
she might be,  
A place of justice, where none shall prey on  
others;  
A place of plenty, where vice and poverty shall  
not fester;  
A place of love, where all success shall be  
founded on service, and honour shall be given  
to nobleness;  
A place of peace, where order shall not rest on  
force, but rather on the love of all.  
Mary,  
Mediate with your Son the silent prayer of all our  
hearts as we each come to offer our time and  
strength and thoughts to achieve this  
vision.  
ALL: Hail Mary, full of grace  
The Lord is with thee.  
Blessed art thou among women and blessed is  
the fruit of your womb, Jesus.  
Holy Mary, Mother of God, Pray for us sinners,  
now, and at the hour of our death.  Amen.

The wider community:  
Students at Our Lady's College are encouraged to be involved in the service groups of  
St. Vincent de Paul, Amnesty International, Liturgy committee and other worthwhile community and service groups. Further, as a College, our students engage in approved fund-raising activities as organized each year. In this way students are enabled to be of assistance to the wider community of which they are a part. The Gospel of Matthew asks each of us to be considerate of our neighbour in whom we encounter the Christ.
Our MISSION STATEMENT states that we provide a Catholic education for young women in a caring environment that values tradition, excellence and community.

Under the priority of Tradition we aim to:

- promote faith learning that is lifelong and life-giving by proclaiming our Catholic beliefs and traditions.
- uphold the ideals of Mary MacKillop by providing an authentic experience of Catholic Christian Community which includes values of compassion, justice, integrity and service.

Reflection Days are integral to the educational process at Our Lady’s College. These days afford students the opportunity to reflect more personally on their daily lives. In the Christian context of Our Lady’s College, these occasions of “taking time out” from the usual academic pursuits, seek to foster and promote in students the ability to critique their lives, to pray, and to come to a greater, more personal realisation of themselves and their peers.

All students at Our Lady’s College attend Reflection Days.

Students in Year 12 have a three day Retreat programme, currently held at the James Byrne Centre, Highfields during the first week of Term 3. The Retreat programme is an important component of the Year 12 programme. It is not optional. The centre is located north of Toowoomba and provides excellent facilities in a picturesque environment for the students to engage in this reflection period.

The Retreat experience is currently designed to afford students the opportunity to listen to their own story, the stories of other women, to reflect upon these and to consider their own story and relationship with God.

The programme is titled Women Mentoring Women. The programme offers the students graced opportunities for personal reflection. It is facilitated by women from various backgrounds who offer their time, their stories and collective wisdom. The three days include formal input sessions, community recreation times, formal prayer times and space for all to enjoy life, the natural scenery and the being together as a Year 12 group. The current format is under review. Some changes will be made due to the need to revise availability of presenters.

Curriculum

Religious Education is Key Learning Area at the College. Students from years 8-12 engage in relevant study in this area.

Years 8-10 follow a unitised programme of study approved by Brisbane Catholic Education. Areas of study include Scripture, Ethics, Church History, Celebration / Prayer and Beliefs. Within these strands are organized units of study.

Year 11 and 12 either: Study of Religion (O.P) or Religion and Ethics. (non-O.P)
