

School Mission

Our **Mission** is to provide a high quality Catholic education for young women in a vibrant, caring and engaging environment that prioritises Tradition, Excellence and Community.

School Vision

Our **Vision** is to empower young women to become self-directed and reflective individuals who enact Christ's mission by contributing positively to a changing world.

School Values

Our **Values** of compassion, justice, integrity and service, as lived through the example of St Mary of the Cross MacKillop, are strengthened through the three priorities of Tradition, Excellence and Community.

OUR LADY'S COLLEGE
ANNERLEY

Strategic Plan (2018 - 2022)

Strong Catholic Identity

Objective: The College's values, culture and practices reflect our Josephite tradition.

Indicators:

The central beliefs of Jesus' teachings are seen in the context of Mary MacKillop's ministry and legacy. The Josephite tradition is promoted through celebrations, activities and relationships throughout the College. connection with Josephite groups and organisations occur. Students and staff are formed in the Josephite tradition.

Excellent Learning and Teaching

Objective: The College pursues excellence in all dimensions of College life by providing quality teaching and learning that encourages all students to achieve their full potential.

Indicators:

Faith learning opportunities are provided. Analysis of data informs the teaching and learning practices, professional development of staff to implement monitoring, and review strategies and changes within Senior Schooling. Student progress is evidenced through improved literacy and numeracy results.

Building a Sustainable Future

Objective: The College recognises our responsibility as stewards of our school environment and plans strategically for a sustainable future.

Indicators:

School resources are applied in a targeted manner to meet the learning and wellbeing needs of all students both present and future. The school budget aligns with local, system and government initiatives and requirements and prioritises the identified needs of the community. Collaborative planning utilises trend data and stakeholder feedback for strategic direction.

Objective: The College nurtures the growth of relationships so that all members experience a sense of belonging in a supportive and inclusive community and in turn are able to contribute in a positive way to the wider world.

Indicators:

Review attendance and engagement data within the community in order to meet BCE achievement benchmarks; utilise, inform and enhance student, parent and staff satisfaction; create opportunities for stronger connections with parents, community and past pupils groups.
