Simple beginnings………

**From one email:** a database of hundreds of email contacts now exists!

In the afternoon of September 6th 2008 Our Lady’s Past Pupils Association held a casual get together. Over one hundred and thirty women enjoyed reminiscing and meeting each other again. Some past pupils had not had an opportunity to get together for forty years.

- Our Lady’s Past Pupils Association is being driven by Past Pupils such as Carmel Delahunty (Tesch); Frances Guthrie (Cassidy); Cheryl Springer (Lynagh); Trudi Tesch (Sullivan); Shelley Flynn (Friswell); Erin Taylor (Sullivan); Lorna Pye (Negus); Tricia Thornton (Griffin); and Sue Jackson (O’Brien) and a list of other ladies from various years.

- As Carmel Delahunty explains ‘there was a need to encourage the continuation of the great friendships and associations girls from Our Lady’s had received from their schooling days.’

- From a simple email began a list of contacts from all over the globe. Girls from Israel, New York, London, Hong Kong and many other places had all heard by word of mouth and wanted to keep in contact.

Why did we get together in 2008!

The main purpose for the casual get together held on 6th September last year was to raise some funds for a deposit at the Brisbane Convention Centre to celebrate the 45th anniversary of the opening of the school.

- The school opened in 1964 with two classes of girls in Year Eight and Year Nine. The year nine students were the first seniors to graduate from the school in 1967 with a class of 15 students.

- Two sisters of St Joseph taught all classes; Sr Romuald as the school’s first principal and Sr Lucy who also became school principal at a later date. Sr Lucy is the patron of the Past Pupils Association to the delight of all who knew her she attended the function on 6th September.

- The Past Pupils Association would like Our Lady’s past students to get together with friends at the Reunion Dinner on 31st October 2009 to have fun and share life histories. Tables of 10 will be available for groups.

Our Lady’s Annerley Past Pupils Association has been reformed in the last two years. The main emphasis is to provide an opportunity for past friends to meet each other again. But also, to encourage current students to remain connected to the college and to their school friendships long after they leave their high school years behind.
