

Inclusive Education

The Vision Statement for Catholic Education in the Archdiocese of Brisbane, the Brisbane Catholic Education's Strategic Plan 2017-2020, and the Policy Statement—Students with Disabilities inform the Enrolment Application and Support Procedures for Students requiring Significant Educational Adjustments.

The enrolment support process at Our Lady's College seeks to reveal and clarify the characteristics of the learner and to assess the adjustments for accessing the learning and the implications of these for the school, the family and the student.

Our process is foundational to the development of an ongoing partnership and leads to an appropriate response to your daughter's educational needs.

Introduction and Rationale

The Enrolment Application and Support Procedure (EASP) reflects the ongoing commitment of Brisbane Catholic Education (BCE) towards inclusive practices in schools and is guided by the principles of justice as reflected in Church, education, and legal areas.

The consultation process seeks to reveal and clarify:

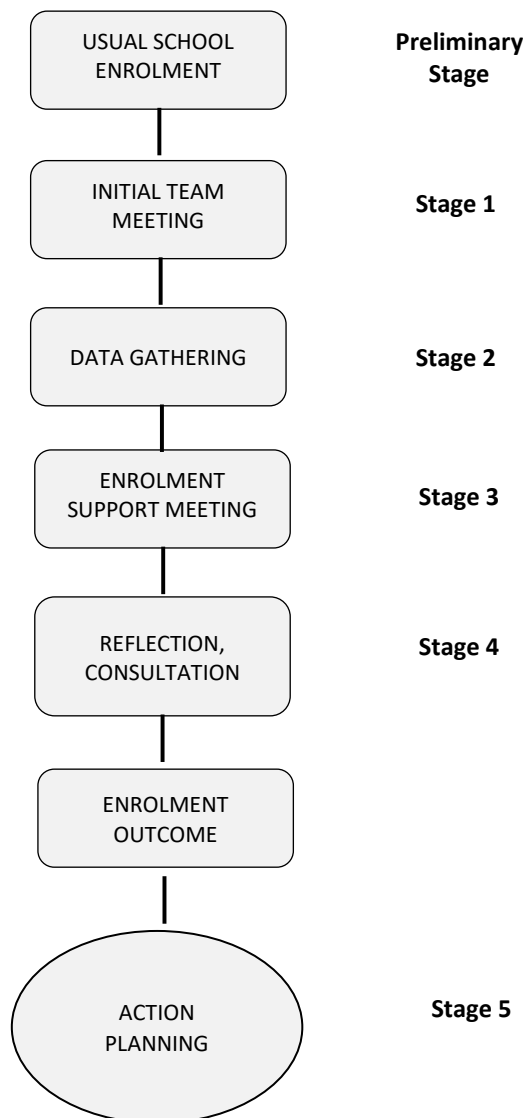

- The characteristics of the learner including impact of the disability
- The educational adjustments that are required for learning
- The implications of adjustments for the student, family and school

The EASP is to be applied for:

- **Initial** enrolment consideration: When application for enrolment is made on behalf of a student for whom it is considered likely that educational adjustments will be required to enable the student to participate in the curriculum and use facilities on the same basis as students without a disability.
