	Parent Engagement Levy	\$50.00	\$200.00
	<b>Total Fees &amp; Levies</b>	<b>\$1,684.50</b>	<b>\$6,738.00</b>

### Family Tuition Fees and Levies

The College offers a reduction for tuition fees for families with two (2) or more students enrolled at the College. A Second Child tuition fee will be charged at 60% of the First Child fee, the Third Child at 40% of the First Child fee, the Fourth Child at 20% of the First Child fee and for additional children, there will be no tuition fee payable. In addition to the Family Fee, for Year 11 and 12 students, an additional tuition fee of \$54.00 per term or \$216.00 per year is payable. The Capital Levy and Parents' and Friends' Association Levy are also applied on a per family basis. The College and Technology Levy are applied on a per student basis. *An example of a 2025 Family Fee Schedule, inclusive of two and three daughters, is provided on page 5.*

### College Activities & Miscellaneous Charges

The cost of Years 7, 8 and 9 Camps, Year 11 Leadership Camp, Community Week and final week activities are charged separately via your family fee account. These charges are payable for each student, regardless of attendance. All 'optional' activities, such as the cost of the Year 11 Social, Year 12 Formal and Year 12 Jerseys, are ordered and paid for through our online payment system, by the nominated due date.

### General Fee & Levy Information

**Tuition Fees and College Levies** cover the costs of all curricular activities and include the cost of all consumables, activities and excursions for each subject in which the student is enrolled. The levy covers all expenses associated with co-curricular activities, administration, library and other resources.

**The Technology Levy** meets the cost of all general technology including but not limited to the provision and sustainment of hardware, software, wireless communications, fibre-optic cabling, site licences, maintenance, insurance, backup and recovery services.

**The Capital Levy** is a contribution towards the ongoing provision and maintenance of the buildings and ground enhancements. The Capital Levy is not a voluntary donation therefore does not qualify as a tax deduction.

**The Parent Engagement Group (P.E.G.) Levy** supports parental engagement at the College via a number of events as well as supporting fund equipment and resources that benefit all students.

### College Scholarship

**Scholarship Opportunity** - Academic Scholarships are awarded to students in Years 7 who have demonstrated high academic potential.

- Academic Scholarship applicants are required to sit the ACER Scholarship Test.
- Scholarships will be determined based on the results of the ACER Test, school results and an interview with College Leadership.

**Scholarship Eligibility and Expectations** - To be eligible for an Our Lady's College Scholarship, all prospective families must take the following into consideration:

- Applicants must complete the Scholarship Application form.
- All scholarship recipients are expected to contribute to the life and culture of the College, including involvement in co-curricular activities, and demonstrate qualities compatible with the values and ethos of the College.
- Scholarship recipients must demonstrate ongoing academic success for the three years covered by the scholarship.
- Assistance is provided on the understanding of the obligation of strict confidentiality on both the family and the College Scholarship Committee.
- Scholarships are applied to tuition fees only.

### **Eric Joseph & Kathleen Anne Barbach Bursary**

The Eric and Kathleen Anne Barbach Bursary is awarded to four (4) students in Year 8 who are achieving excellence in their studies. The bursary is an endowment established by the late Kathleen Anne Barbach and assists with the cost of tuition fees for one year.

### **School Fees and Collections Policy & Procedures**

The fees and levies paid to Our Lady's College provide essential resources for the education of all students:

- They provide teaching, administrative and ground staff.
- Provide essential resources, materials, facilities and equipment.
- Maintain buildings, grounds and other facilities.

### **Enrolment Fees**

A non-refundable enrolment application fee of \$110.00 (including GST) is payable when an application form is lodged.

At the time of acceptance of an enrolment offer, a non-refundable Confirmation of Enrolment Fee of \$500.00 is required. No GST applies to this fee.

### **Issuing of Accounts**

Tuition Fees and Levies will be invoiced in equal instalments, in advance, over the four (4) terms of the year and are payable within 14 days of the invoice date.

The family fee statement will be itemised to show the amount charged by each fee and levy type. The account, where written consent is supplied, can be split between a number of persons who may be responsible for the payment of the account.

### **Withdrawal of a Student**

The College requires a minimum of one (1) full term's written notice, in the event of a student being withdrawn from the College. Where a full term's written notice is not received, the Fees and Levies payable for the following term will be deemed payable.

Fees will not be refunded where a student is suspended or expelled for misbehaviour or for other reasons. Please contact the College Business Manager on 3426 8000 during business hours to discuss any further detail concerning the withdrawal of a student.

### **Methods of Payment**

Payments can be made by cash, credit card, BPay, Bank Direct Debit, CentrePay Direct Deposit or EFTPOS, via the office. Families can make payments via a periodic payment, on a weekly, fortnightly or monthly basis. The necessary authority form will be included with the term fee statement.

**Parents are asked to pay their account by the due date which is fourteen (14) days after the invoice date.**

### **Payment Difficulties**

If you are experiencing difficulty paying your account, please contact the Business Manager as soon as possible. Arrangements can then be made to assist you with meeting your commitment.

### **Concessions**

In the case of financial hardship, the College will consider offering a concession. Concession applications are accepted at the commencement of each year or when the family hardship occurs. **Concessions on fees are not ongoing and applications must be resubmitted at the commencement of each new school year.** Concessions are means tested in line with Federal Government Poverty Guidelines. The assessment process takes all cashflows into consideration, including but not limited to, wages, Family/Stay at Home Allowance and Child Support Payments. Any change to your circumstances should be reported to the Business Manager within 14 days of the change.

### **Overdue Accounts**

Parents who have unpaid invoices will be sent a statement once the due date has passed. Families with outstanding statements, at this time, will be followed up by our Fee Administrator. Where accounts remain outstanding and a payment plan has not been mutually agreed, the College may instigate other activities to recover the outstanding amount. It is unreasonable and unjust to other families to ignore fee statements or to fail to contact the College when problems affecting payment may arise.

### **Monitor Accounts**

The College uses Monitor as its third-party payment provider (Online shop and College Bus). Upon students leaving the College, all amounts in the family Monitor account will be transferred to any outstanding fees owing to the College. If all fees are up to date, balances will be considered a donation to the College.

### **Further Information**

If you require further information, please feel welcome to contact the College Business Manager on 3426 8000 during business hours.

## Multiple Student Family Example

### 2 Student example:

Year Level	Item	Per term	Per annum
