

ENROLMENT INFORMATION

2021

Inspiring young women since 1964

Enrolment Procedure

For the College to consider an enrolment application, it is necessary to lodge the completed and signed application form together with copies of supporting documentation —

- Birth Certificate
- Australian Citizenship Certificate or Visa documentation (if student and/or both parents born overseas)
- Baptism and Sacramental Certificates (where possible)
- Last 2 school reports and NAPLAN report (if applicable)
- Any medical or learning reports
- Any legal documentation i.e. Court or Custody Orders (if applicable)
- Enrolment application Fee of \$100 (non-refundable) is to be paid at the time of lodgement.

Once all the necessary paperwork is received, the application is 'complete' and the application will then be recorded and processed.

Please note, submission of an application does not guarantee enrolment.

It is important that all documentation be provided to allow full consideration of the application.

The enrolment process is -

- Lodgement of the fully completed and signed enrolment application or Online Enrolment Application together with all the necessary supporting documentation and Application Fee payment
- Attending an interview with your child
- A successful interview with the Principal or a member of the Administration Team and position offered
- Completion and return of Confirmation of Enrolment documentation together with payment of \$500 Acceptance Fee (non-refundable).

Please contact the Enrolment Secretary on 3426 8009 for further information.

Enrolment Policy

Rationale

The Archdiocese of Brisbane Catholic Education Council provides a clear policy on the Enrolment of Students in Catholic Schools (July 2012). It states that schools in the Archdiocese give priority in the enrolment of students who are baptised Catholics. Schools may also enrol students from other faith traditions whose families demonstrate that they share in the expressed values of the school. In such instances schools embrace church teachings regarding respect for the faith journey of individuals within the religious dimension of the school life.

Introduction

Our Lady's College is committed to the provision of high quality, inclusive and affordable Catholic education. It has an important partnership role with parents from surrounding parishes, in the provision of a secondary education for Catholic families and for those families who share in its values. The College invites enrolments from all who profess to share in the college spirit, ethos and values and who can demonstrate such support through the ways in which they currently interact within their existing parishes, religious communities, local communities and primary schools.

Guidelines

1. The process of enrolment is guided by principles of justice and equity, which is reflective of our catholic ethos and vision.
2. Enrolments are accepted up to four years in advance. That is, applications can be made in the year in which the student is in Year 3 for Year 7.
3. Interviews are conducted generally when the student is in Year 3, but may occur at any time prior to commencement given individual circumstances.
4. As part of the interview process, families will be required to present information regarding their:
 - Church affiliation (Sacramental certificates)
 - Community related activities
 - Parental expectations for their daughter at the college
 - Child's participation in her current school, progress to date and other relevant data which will provide information on support needs
 - Willingness to support the values and ethos of the College
5. Enrolment decisions are made by the Principal taking into account the needs of each student and place availability, operating in accordance with the Enrolment Policy of Brisbane Catholic Education. Preference will be given as follows:
 - Baptised Catholics
 - Those christened into other Christian faiths
 - Those of other faiths who demonstrate a willingness to support Catholic values and ethos
6. The College adheres to the requirements of the following policies: Disability, Financial Accessibility, Applications Support Procedures and Out of Home.

Annual School Fees and Levies

School Fee Information

Fees and levies at Our Lady's College are set on an annual basis. Parents are notified through the newsletter and College website. Fee components are set by Brisbane Catholic Education and fees and levies are reviewed each year in light of current economic trends. As an Archdiocesan College, the need to keep fee structures at an attainable level is recognized.

Families are charged an overall amount which covers the College's financial need. This overall fee is made up of:-

1. Tuition Fee
2. College Levy
3. Technology Levy
4. Capital Levy; *and*
5. Parents and Friends Association Levy

The fees and levies paid to Our Lady's College provide essential resources for the education of all students.

- They provide teaching, administrative and ground staff.
- Provide essential resources, materials, facilities and equipment.
- Maintain buildings, grounds and other facilities.

Enrolment Fees

A non-refundable enrolment application fee of \$100.00 (including GST) per student, is payable when an application form is lodged.

At the time of acceptance of an enrolment offer, a non-refundable Confirmation of Enrolment fee of \$500.00 is required. No GST applies to this fee.

General Fee and Levy Information

Tuition Fees and College Levies cover the costs of all curricular activities and include the cost of all consumables, activities and excursions for each subject in which the student is enrolled. The levy covers all expenses associated with co-curricular activities, administration, library and other resources.

The Technology Levy meets the cost of all general technology including but not limited to the provision and sustainment of hardware, software, wireless communications, fibre-optic cabling, site licences, maintenance, insurance, backup and recovery services.

The Capital Levy is a contribution towards the ongoing provision and maintenance of the buildings and ground enhancements. The Capital Levy is not a voluntary donation therefore does not qualify as a tax deduction.

The Parents and Friends Association Levy is in lieu of major fund raising activities which provide direct support to the College Community. Some other minor fund raising activities may also be conducted. Parent support of the P & F Association through this levy is a condition of enrolment.

College Activities and Miscellaneous Charges

The College charges separately on your family fee account the cost of year 7, year 8 and year 10 Camps, year 11 and year 12 Retreats, Community Week and final week excursions. These charges are payable by each student regardless of attendance.

All 'optional' activities such as the cost of year 11 Social, year 12 Formal and year 12 Jerseys are ordered and paid for through our 'on-line' payment system by the nominated due date.

Issuing of Accounts

Tuition Fees and Levies will be invoiced in equal instalments in advance over the four terms of the year and are payable within 14 days of the invoice date.

The family fee statement will be itemised to show the amount charged by each fee and levy type. The account, where written consent is supplied, can be split between a number of persons whom may be responsible for the payment of the account.

Methods of Payment

Payments can be made by cash, credit card, BPay, Bank Direct Debit, Centrepay Direct Deposit or EFTPOS through the office. Where you may wish to make payment via a periodic payment on a weekly, fortnightly or monthly basis, the necessary authority form will be included with the term fee statement.

Parents are asked to pay their account by the due date which is 14 days after the invoice date.

Payment Difficulties

If you are experiencing difficulty paying your account, please contact the Business Manager as soon as possible. Arrangements can then be made to assist you to meet your commitment.

Withdrawal of a Student

The College requires at least a full term's written notice in the event of a student being withdrawn from the College. Where a full term's written notice is not given, the Fees and Levies payable for the following term will be payable.

Fees will not be refunded where a student is suspended or expelled for misbehaviour or for other reasons. Please contact the College Business Manager on 3426 8000 during business hours to discuss this issue.

Concessions

In case of financial hardship, the College will consider offering a concession. Concession applications are accepted at the commencement of each year or when the hardship within the family occurs. **Concessions on fees are not ongoing and applications must be resubmitted at the commencement of each new school year.**

Concessions are means tested in line with Federal Government Poverty Guidelines. The assessment process takes all cashflows into consideration including but not limited to, wages, Austudy, Family/Stay at Home Allowance, Child Support Payments. Any change to your circumstances should be advised to the Business Manager within 14 days of the change.

Overdue Accounts

Parents who have unpaid invoices at the due date will be sent a statement. All outstanding statements, at this time, are followed up with parents by our Fee Administrator. Where accounts remain outstanding and a payment plan has not been mutually agreed, the College may instigate other activities to recover the outstanding amount. It is unreasonable and unjust to other families to ignore fee statements or to fail to contact the College when problems affecting payment may arise.

Where the College is reluctantly forced to engage the services of a professional debt collection agency the administration and legal costs involved in any collection process will be added to the outstanding amount.

Further Information

If you require further information, please feel welcome to contact the College Business Manager on 3426 8000 during business hours.

Senior Curriculum

Students in Queensland are issued with a Senior Education Profile (SEP) upon completion of senior studies. This profile may include a:

- Statement of results
- Queensland certificate of Education (QCE)
- Queensland Certificate of Individual Achievement (QCIA)

Senior Subjects

At Our Lady's College, we have two main pathways: **Academic** leading to an ATAR and University or TAFE study, and **Vocational** leading to further study (usually TAFE, an apprenticeship or a traineeship) or work.

The QCAA develops four types of senior subject syllabuses - General, Applied, Senior External Examinations and Short Courses. Results in General and Applied subjects contribute to the award of a QCE and may contribute to an Australian Tertiary Admission Rank (ATAR) calculation.

General syllabuses

General subjects are suited to students who are interested in pathways beyond senior secondary schooling that lead primarily to tertiary studies and to pathways for vocational education and training and work. General subjects include Extension subjects.

Applied syllabuses

Applied subjects are suited to students who are primarily interested in pathways beyond senior secondary schooling that lead to vocational education and training or work.

Senior External Examination

The Senior External Examination consists of individual subject examinations provided across Queensland in October and November each year by the QCAA.

Vocational Education and Training (VET)

Students can access VET programs at Our Lady's College via:

- Binnacle Training at the College
- TAFE Study
- A school-based apprenticeship or traineeship

Laptop Program

Our Lady's College implements a one-to-one laptop program for all students. These laptops remain the property of the college. The students, as part of this program, will be permitted to use these laptops both at the college and at home.

The College has an extensive wireless network that enables access across the entire campus and all classrooms are equipped with built-in audio-visual technology. The One to One Laptop program operates across all year levels and allows students immediate access to their learning anywhere, anytime.

Learning Enrichment

At Our Lady's College every student is supported to fulfil their potential. This includes the gifted, English as Second Language students and students with learning needs. Our inclusive model of support and enrichment provides students with the opportunity to progress through core curriculum in accordance to their needs. Programs are written to target particular strengths and weaknesses of students.

Instrumental Music Program

The Instrumental Music program at Our Lady's College offers professional quality tuition for keen and committed students in any year level. The aim of the instrumental program is the development of the student's musical, social and personal awareness through participation in instrumental music instruction, ensembles, rehearsals and performances. Tuition is available to students in all of the following orchestral instruments and voice:

- Strings—violin, viola, cello, double bass, guitar and bass guitar
- Woodwind—flute, clarinet, saxophone
- Brass—trumpet, trombone, euphonium
- Percussion—drums, tuned and untuned percussion and piano
- Voice—classical and modern voice.

Lessons are offered as private, shared private or group lessons (except for piano) with some instruments also being available for hire.

Any student learning an instrument can join one of the Our Lady's College ensembles—concert band or string ensemble.

Co-Curricular Activities

Sport

Our Lady's College is a member of the Catholic Secondary Schoolgirls' Sports Association (CaSSSA) consisting of 13 catholic girls' schools. All students at Our Lady's College have the opportunity to represent the school at an interschool level in the Swimming, Cross Country and Athletics carnivals, Saturday Tennis fixtures and in a diverse range of sporting disciplines on a Wednesday afternoon. Sports include: AFL, Volleyball, Indoor Cricket, Netball, Soccer, Touch and Basketball.

Girls are given the opportunity to excel through these sporting bodies and be selected for Composite District teams with the opportunity to go through to the Met East Regional level and State levels of competition.

Extra-Curricular

Our Lady's College offers a wide range of extra-curricular activities, conducted to provide the girls with ample opportunity to broaden their experiences and education. Girls may choose to become involved in clubs such as:
